## **Unfinished Business**

- The April 29<sup>th</sup> work day at the field was extremely successful bolstered by a great member turnout. All of the scheduled activities were completed. The owners are not expected to be on site very often, nevertheless we must be respectful of the property abutters as well as the tenants in the newly rented house. The tenants have been approached and seem supportive of our flying activities. It was agreed that the starting time will be 9:30a.m. every day, with activities ending at dusk.
- There was significant discussion about the need for a larger tractor, as well as storage facility, to accommodate the enlarged mowing area. No decision was made at this time.

## **New Business**

- The need for vehicle ID's was discussed. Most members felt that a visor type tag would be most appropriate. Gary Carreiro will obtain prices for future discussion.
- A Calendar of events was decided upon. The Dave Andrade Memorial Fun Fly will be held on Saturday June 18<sup>th</sup>, June 19<sup>th</sup> rain date. War bird Day will be held on Saturday July 16<sup>th</sup>, July 17<sup>th</sup> rain date. Both events will be from 9:00a.m. until 3:00p.m.
- The next meeting may be held at the field pending the weather forecast.
- It was announced that the club is now in possession of 4 trainers. The last Saturday of the month will be once again dedicated to training new pilots.
