1. The RC Buyer's Warehouse flea market will be held on June 2, 2012 in Nashua N.H.

Unfinished Business

1. The field has been rolled by Ted Brito. Cost of equipment rental was shared with "Cloud Dancers".
2. The field benches have been refinished by Gerry Dupont, Dan Cronin and Ed Goulart. The stain and sandpaper required were donated by Gerry Dupont.
3. The New Bedford Airport show will be held on May 19th. Fifteen members have indicated they will be participating. Tables have been procured for the event. Many different models will be displayed as well as components and planes in various stages of production. Flyers will be distributed advertising our annual Fun and Float Flies in an attempt to draw spectators. The great hope is that we will be allowed to fly at the event next year. A discussion ensued regarding banners and coroplast signs for this and future club events.
4. A discussion ensued regarding rescheduling the annual Fun Fly from June 30th to July 14th. Ted will e-mail all members regarding their preference. Food will be outsourced rather than cooked on site.

New Business

1. Jon Bier is organizing an event at our field in conjunction with the Boy's and Girl's Club. Equipment donations for the kids have been received from Horizon Hobby and others. The tentative date is June 10th. Representatives from Horizon Hobby and the AMA are interested in attending and setting up a pilot program for other Boy's and Girl's Clubs around the nation. Further details will be forthcoming.
2. The rescue boat, lock and cable have been placed at Mary's Pond. A vote to spend \$60. for a more secure lockset and keys was unanimously approved. A key fee of \$5 will be assessed to members using the pond.
