Correspondence

1. The Horizon Hobby Air Meet will be held in Sanford, ME on September 6-9.
2. The Soaring Eagles Float Fly will be held at Greenfield State Park in Greenfield, NH on September 14-16.

Unfinished Business

1. Gary Carreiro reported that Andy Argenio was upset to learn that the Boy's/Girl's Club field event was cancelled by the Boy's/Girl's Club representative at the last minute. Horizon Hobby representatives were in the area and did not attend due to poor communication from the Boy's/Girl's Club. The AMA reportedly spent considerable money to send representatives to the event and is equally upset. Further discussion about the TAG grant will take place at a future meeting. For the record, a student/youth pilot experience was held at the field on June 16th and six youths participated. Club members attending included, Gary Carreiro, Gary Barboza, Ted Brito, Gerry Dupont, Ed Goulart, John Bier, Bud Bier, Bob Pacheco, Carlos Costa, Jeff Saldino, Bruce Gadomski, and Manny Arruda. Clinton Sowle also attended. Supplies, fuel and refreshments were purchased through the TAG grant.
2. Gerry Dupont reported that Dave Brownell has concerns about fire danger during the upcoming FunFly.
3. Ted Brito talked about the upcoming FunFly and the options for refreshments. Admission is \$10.00. Ted will bring his camper, but no tent. Bring your own popup. Workers should show up at 11:00 a.m. Only 72mhz radios will be impounded.

New Business

1. A new frequency board is needed and the old one will be moved to Mary's Pond. Jeff Rebello volunteered to make a new board.
2. It was unanimously voted to eliminate the weather station from further consideration.
3. Ted Brito moved that Manny Arruda and Herbert Andrade be made honorary lifetime members of the club. It was unanimously voted.
4. New banners will be prepared by Jeff Rebello for both the FunFly and Float Fly.
