Unfinished Business

Our official indoor flying meets at the Sippican school Gym arranged by Gary Carreiro will be the first and third week of each month starting January. Saturday's from 6:00 to 8:45pm. Outlets, 8' tables wipe off board for 72 mhz all will be available. This is for members and an invited guest at this time. A \$5 charge will be assessed to each participant. Helis and planes WILL NOT FLY at the same time. Please be courteous to the other members.

New Business

After a lengthy discussion and a vote of 16 for with 2 opposed, 5 prospective members will be added to our limit bringing the total membership to 40. This should allow everyone on the waiting list to join once we confirm their AMA membership and pay the \$45 1st year dues, and a \$30 initiation fee. Regular full members pay \$45/yr if they do a service. If no service is provided to the club during the year the dues are \$75. As always we are not sure if a couple members may drop off and not renew.

Waiting list to join currently stands at 2.

It was also voted to allow all members to fly at the pond rather than create a pond only membership. The slate of officers as presented last month was approved the only change from this year being Ed Goulart will once again serve as recording secretary.

The meeting closed at 8:36 PM.

Respectfully Submitted,
Carlos A Costa
Recording Secretary
