Committee Report

- The Site Committee reported that the club "presentation binder" had been completed, in concert with AMA Guidelines, and delivered to the Russell Family for consideration. Ted Brito visited the site and feels there are distinct possibilities for both the upper and lower fields. We are awaiting the decision from the Russell family; however members were reminded that the Brownell field will be available for the 2014 season.

Correspondence

- The 2014 WRAM show will be held February 21-23rd at the Meadowlands Exposition Center

Unfinished Business

- Indoor flying at the Sippican School in Marion starts on January 18th at 6:00 p.m. and will be held every other Saturday thereafter. Members are reminded to bring their AMA cards to all indoor flying events.
- Chris Ferreira reported that the Old Colony Regional Voke Tech gym is available for indoor flying every Saturday at no cost during the months of January and February from 4-6 p.m. Details will be forthcoming via e-mail.
- Gary Barboza reported that three members have been dropped from the 2014 roster and 11 members still have to pay their 2014 dues. Three new members, from the waiting list, were voted in unanimously as replacements for the dropped members. They are Frank DeLucca, John Fontes, and Leo Doston. Four interested persons in attendance were placed on the waiting list to fill the 5 newly created membership slots.

New Business

- Ted Brito reported on the upcoming trip to the WRAM Show in February. The trip is scheduled for Friday February 21st and 8 persons have signed up. The vehicle cost is approximately \$44.50 per person. Two slots are still available for interested persons.
- Jeff Rebello said that Herb Andrade is anxious to donate his planes, tools, and radios to the club. Items will either be used by the club or offered for sale to club members. Unsold items will be marketed on E-Bay or RC Universe. Proceeds will go to the club treasury.
