## **Committee Report**

- Gary Carreiro updated the membership on the status of the alternative field search. The Buzzard's Bay Brewery site is on hold for this year. An inspection of another location on Horseneck Road in Westport indicated that stone walls and trees made the site too restrictive. A large parcel on Fisher Road in Dartmouth looks promising after an initial inspection. The owner seems receptive to hosting our flying activities. An additional site visit this weekend will be entertained for further evaluation. Two additional sites in Westport were briefly discussed.

## **Correspondence**

None

## **Unfinished Business**

- The rental of the roller from R&S Rental is expected to cost \$325.
- The indoor flying sessions at the Sippican School have concluded for this season. Approximately \$500 was raised for the school fund from our contributions. It was a great season and we have been invited back for next year.

## **New Business**

- Prospective new member, Robert Michaud, expressed his interest in joining the club. He is especially interested in owning/flying a P-51 Mustang. His application was accepted, along with his AMA card. He will be officially inducted into the club at the next meeting.

## **Comments from the Officers**

- Gary Carreiro reported that the Bridgewater swap meet was very good. Discounted fuel was purchased for the new club trainers. This was the \$40 expenditure from the youth aviation account.

## **Comments from the members**

None

The meeting closed at 7:42 PM.

Respectfully Submitted,  
Ed Goulart
