## Correspondence:

Brief review of the Wing Buster's event attended by Ted and Chris.

## Unfinished Business:

**Fisher Rd. site** - still waiting for a response regarding the potential cost of grading the site. Gary C. will try to arrange a meeting on Sat.

**White's Farm** - possibly a useable portion of a field on the New Bedford/Acushnet line, however, there may be an issue with nearby houses. Efforts will be made to secure this area for Sept. It would be a (2) month trial basis for a fee of \$75 per month (\$150) total.
