Unfinished Business

- Chris Ferreira, John Bier, and Ned Watts met with the Dartmouth High School Engineering students recently. The students are halfway through the build of the STC foamy. In two weeks they should be ready to fly with donated radios. They meet Tuesdays at 10.00 a.m. The next meeting is scheduled for April 28th.
- Gary Carreiro reported on his discussions with Dave Brownell. The sale of the property to Manny Ferry has fallen through and the property is off the market. The field is ours for the season. Gary Carreiro suggested that field and table improvements should be done. Weekend starting time at the field has been moved to 10:00 a.m. for EP aircraft. Gary suggested ending the relationship with the White's Family field.
- A motion was made by Ted Brito, seconded by Bob Dupre, to end the relationship with White's Family Field. The motion carried unanimously.
