Committee Report

None

Correspondence

- The Wing Buster's Open House will be held at the end of June.

- The N.H. Flying Misfits Open House and flea market will be held on June 6th in Auburn N.H. nhfmrcc@gmail.com

Unfinished Business

- Sam Brodsky, from Dartmouth High School, recapped the resounding success of the partnership between our club and his engineering students. Kudos was given to Chris Ferreira, John Bier, and Ned Watts for working with the students to build and fly their model planes. One prospective youth member will probably result from the partnership. Hopefully we will partner again in the future.
- Ted Brito reported at length on the progress of the Rochester field preparation. The GeoTech has been delivered. Plant growth has been skimmed off the bog and the field has been laser leveled. The surface needs to be rolled. The \$240 estimate for roller rental is still with the budget appropriation for the project. The corner of the bog has been filled allowing vehicular traffic. A building is available for a potential club house and charging station, although some work and repairs are required. A Port-a Potty will be delivered and benches will be transferred from the Brownell Field. The work day installation is scheduled for Saturday, June 6th, at 8:00 a.m. at the site on 85 High Street in Rochester.

New Business

- The Cranland Event is cancelled for this year. Another Raffle is being contemplated for a flight prize and breakfast at the Martha's Vineyard Airport.
- The Dave Andrade Memorial Fun Fly will be tentatively held at the Rochester site on August 22nd.
- Training for new pilots will be held the last Saturday of the month and through individual arrangements with instructors.
- A motion was made by John Baron and seconded by Ted Brito and unanimously voted to induct James Almeida as the newest member of the club.
- A motion was made by Carlos Costa and seconded by Bob Michaud and unanimously voted to increase the club membership to 50 with a cap until 2016.
- A motion was made by Dave Gadomski and seconded by Ben Briggs and unanimously voted to preliminarily accept John Cordeiro, Jason Cordeiro, Alan Hunt, Bert Viveiros, and Rick Sadeck into the club membership.
